Dear Mrs. Peterson:

Thank you for your letter telling me about the work of the Mineral King Preservation Society. You and your group are to be highly commended for making the historical and magnificent natural values of Mineral King better known to all of us.

My Administrative Assistant, Mike Chrisman, tells me of his love for the Mineral King area and has informed me of your work.

If I can ever do anything for you or the Mineral King Preservation Society, please don't hesitate to contact me.

Sincerely,

BILL JONES
